

## **Family Getaway Cabin Rental Program**

### **How it will work**

Full-week rentals: Arrive at camp any time after 11 a.m. on Monday

Half-week rentals: Arrive at camp any time after lunch on Wednesday

Camp staff will check you in and show you to your cabin. Cabins have 5 sets of bunk beds and one single bunk, a table & chairs, and a mini fridge. Outside your cabin you'll have your own picnic table and a small fire pit. We ask that you be cleared out of your cabin by 11 a.m. on Saturday and depart from Camp Hermosa by 2 p.m. (Half-week rentals will arrive on Wednesday after lunch and clear out of your cabin by 11 a.m. on Saturday)

Each family will have a designated toilet stall, shower, and sink in one of the two main bathrooms for their exclusive use during their stay.

Meals will be served take-out style from the dining lodge. We will have walk-up windows where you and your family can come to get your food. Please let us know of any food allergies or dietary restrictions ahead of time and we will do our best to accommodate.

Each day you will have the opportunity to sign up for pool time. You will also be able to sign up for time slots with camp staff at various activities including the archery range and axe-throwing range. The camp store will be open throughout the day for tuck purchases and also to sign out equipment for a variety of outdoor games & activities. Your time at camp will be yours to spend however you like.

### **Keeping guests and staff safe**

To help keep our guests and staff safe, we will limit the number of families on site each week. Feel free to socialize with other families who are on site with you, but plan to do so while maintaining physical distance. Please do not invite members of other families into your family's cabin. Families will be sent a screening questionnaire a few days before coming to camp. Camp staff will conduct screening of guests again upon arrival at Camp Hermosa. All guests will be asked to self-monitor for flu-like symptoms each day and to report any instance of COVID-like symptoms to the Camp Manager immediately.

Camp staff will be trained to work while maintaining physical distancing as much as possible. We will implement enhanced cleaning and sanitizing protocols necessary to maintain a safe and healthy environment at camp. Camp staff will be screened prior to arrival at camp and will be required to self-monitor for symptoms daily.

### **Cost**

The cost for a cabin rental, including meals and access to camp activities is:

- \$1500 for a full week (Monday-Saturday)
- \$750 for a half week (Wednesday-Saturday)
- Families who bring their own trailer (equipped with its own washroom) will receive 20% off the above rates (camp can supply power and water to your trailer)
